

Do You Know the
Top Ten Reasons to
Support Theological
Education with
ITEM? Here They
Are...

Ever have a song
you can't get out
of your mind? The
need for theological
Education is just
like that song. But
this one you want
to keep singing.

Know what we do and teach at ITEM
supported seminaries and
Christian Colleges
in Eastern Europe
by personally going
or sending someone
you trust.

The opportunity to give so that somebody could be trained and equipped by your personal contribution when otherwise he could not.

If you or your pastor are "apt to teach", then take the opportunity to work with a team of maturing and committed Christians and deepen your relationship with them. And if you can't go, send or support someone who is "apt to teach" and co-labor with them by sending them with your prayers and resources.

Our supporters find many blessings and great enrichment in all that we do together as we co-labor in the Lord's harvest.

There is a blessing to the laborers in His Harvest.

Would you deprive yourself of His blessing?

An opportunity to share in the lives of Christians of different tongues and nations. These fellow brothers and sisters continuously ask the Lord to send laborers - they are relying on you.

Those who go and those who serve, rely on you!

Teaching
necessitates
knowing what
you believe.
Desiring that
the Bible/
Gospel be
taught is a
sign of His
work in you.

This is your opportunity to
nurture and
develop
the
Christian
leaders of
tomorrow
today!

By equipping men
to teach and preach
the Word of God or
by praying and
supporting
theological
education
you are fulfilling
the Great
Commission.

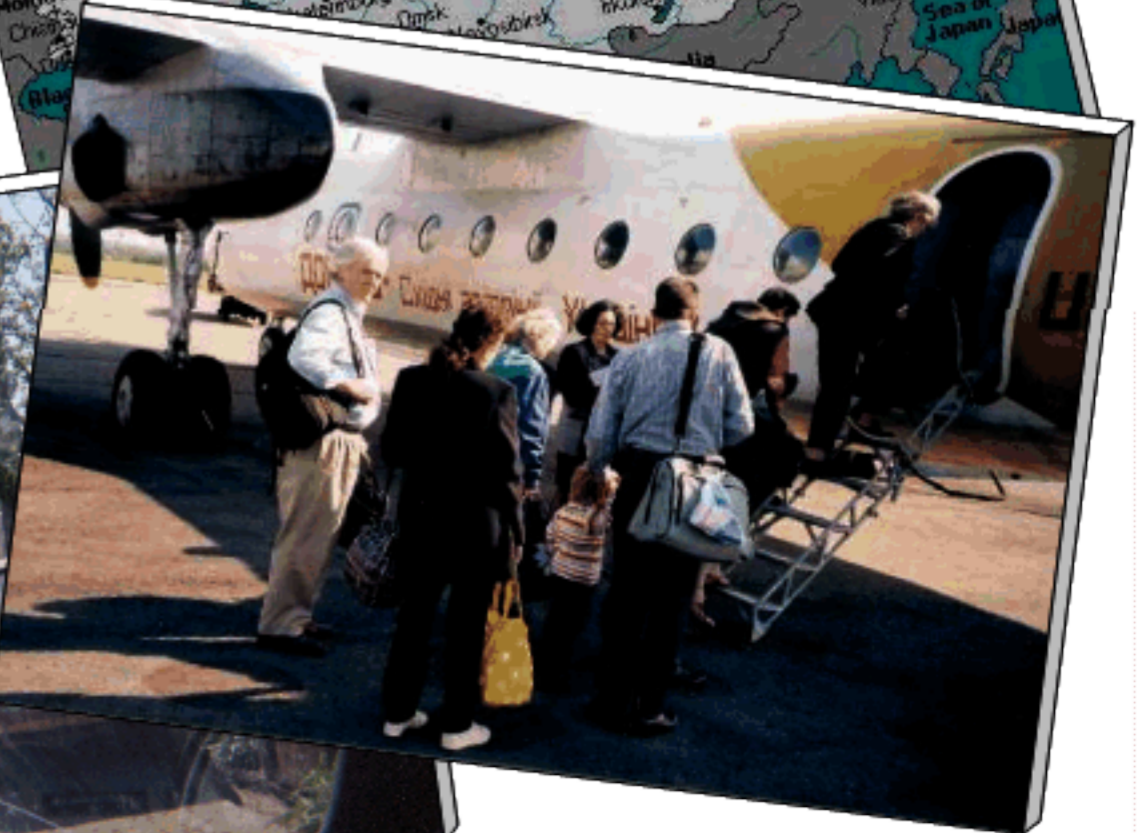

If not you,
then who?

If not you,
then who?

If not you,
then who?

If not you,
then who?

If not you,
then who?
